Remember the excitement and how special you felt when YOUR mum was on duty at the school canteen? The sandwiches always tasted better on those days. Don't let your kids miss out on the memories. Volunteer and Support your School Canteen

ST PETER'S PRIMARY SCHOOL CANTEEN MENU 2018

The canteen is open every day for both recess and lunch. Lunch orders are required to be placed in the morning before 9am and will then be sent up to the classrooms at lunch time. Recess and lunch time snacks are for Year 1-6 only as it requires the child to come to the canteen and line up to buy their desired item/s.

Sandwiches are made with wholemeal bread. White bread is available on request. No margarine will be used unless requested on your order.

Canteen ordering - Ordering your lunch from the canteen is easy and can be done in two ways; in person at the canteen and online.

Ordering Online - This is the most efficient way to order lunches from the canteen. Setting up online canteen information is on the back of this page and if you have not signed up for online canteen, we highly recommend it. It is quick, easy to use, there is no fussing about to find change and you don't have to be at school to place a lunch order.

Ordering in person - Lunch orders are to be written on a **brown lunch bag** which is available for purchase at Coles or Woolworths in packets of 100 for a few dollars. If you do not have bags at home, you can purchase them for 20 cents a bag at the canteen.

Please write your **child's name and class on the bag** and enclose the **correct money** in the bag. The bag is then to be dropped off by you or your child in the basket at the canteen window. We would encourage you to **complete your order at home** so that we don't end up with too much congestion at the service window in the morning.

Change - If change is owed, your child's lunch bag will be stamped alerting them to collect their change. A record of change owing is kept at the canteen.

IOU's - Occasionally lunches are forgotten. In this instance, children will be directed to the front office where the staff will attempt to contact a parent or gain approval in providing some lunch. There are very limited choices when this is discovered at lunch time. IOU's are not accepted without appropriate authorisation.

Parents are advised that it is against school policy for the students to share money amongst their friends or to buy items for other students.

The canteen cannot operate without the assistance of volunteers so if you would like help out and get to know how we work, we would love to have you join our roster - whether it is a few hours or once a term, we are always grateful for any amount of time. Please contact the canteen if you would like to go on the roster to meet new parents and see the joy on your child's face when they visit.

By supporting the canteen, you ensure the viability of this service is available for our St Peter's School Community.
