Leading The Way in Parent Engagement

The PFFWA are excited to announce that whilst she is in Australia for the ARACY Conference, Dr Debbie Pushor will be joining us to present a workshop entitled "Leading the Way in Parent Engagement".

Debbie is a Professor in the Department of Curriculum Studies at the University of Saskatchewan in Canada and is a passionate advocate for authentic parent partnerships.

In Debbie's early career she worked as a teacher, consultant, principal and central services administrator. It was her experiences as a parent of school aged children that caused her to engage in research and work for solutions around school and parent relationships.

Debbie's research program uses stories of parent knowledge, parent engagement and leadership to develop opportunities for partnering and she has recently co-authored two books on parent engagement.

You are invited to attend this important workshop.

Please encourage at least one member of the school leadership team, as well as members of your P&F executive/school community to attend.
