

St Peter's Dads

Dads & Kids Bowling

Sunday May 28 2017 - 2pm to 4pm

**AMF Bowling Morley
176 Walter Rd. (cnr Walter Rd. And Coode St.)
Morley**

St Peter's Dads is hosting a fun filled indoor bowling afternoon this term. This Fathering Project aligned initiative is for the families of St Peter's School, with the fathering figure and kids aged 15 and under eligible to attend. Everyone attending this subsidised event will be able to share the fun experience of playing 2 sets of bowling over 2 hours, during which the kids have a snack and drink.

This event is a great bonding experience for dads and kids. Neuroscience research shows that such positive fun experiences create strong formative memories that are part of what assists in the development of emotional resilience in children.

There are limited spots available at this event so you need to book and prepay \$15 per person per ticket to guarantee your spot.

You can organise teams of 5 or 6 dad/kid combos for playing in one of the lanes or we can allocate your family/friends into a group of 5 or 6 on the day.
