

# September is DADember

DADember is the St Peter's Dads promotion of the important role that Father Figures can play in development of children.

The school has organised a calendar of short events in September designed especially for Father Figures to participate in class. **To register fill out the nomination form below, send back with your child to give to their teacher.**

In the activity calendar there is also a series of SPD events for Father Figures to participate. Look out for registration details for these events in the current and upcoming newsletters.

While DADember is a great opportunity to get involved, we appreciate that not all Father Figures are able to participate in class activities due to work and other commitments. We encourage all Father Figures to think about what they can do during September to support the development of their children.

## DADember Class Activity Nomination Form

Dad / Father Figure Name: \_\_\_\_\_
