PRAYER

Come Holy Spirit fill the hearts of your faithful and enkindle in them the fire of your love.

Dear Parents, Students and Staff,

CONFIRMATION - This year in the St Peter's Parish, Confirmation will be celebrated at the 6.00pm Mass on 27 May, the 10.00am Mass on 28 May and the 10.00am Mass on 11 June. While the ordinary minister of Confirmation is a Bishop; it is common, usual and valid that the faculty of conferring the Sacrament of Confirmation is granted to a Parish Priest. This year our confirmation candidates will receive Confirmation from Fr Jeronimo. Our Year 6 students complete their preparation to receive the Sacrament of Confirmation with a retreat on Tuesday. I ask the community to join me in praying that the Holy Spirit helps each of them grow in their relationship with God, to live in His influence and to use His gifts to direct and guide their decisions.

I acknowledge the following people for the parts they are playing in making the celebration a meaningful occasion:

- Chris Neville, the Sacrament Coordinator for the St Peter's Parish, who does an outstanding job of orchestrating the preparation program, conducting the workshops and communicating with families in the lead up to the celebrations.
- Fr Jeronimo for his pastoral guidance, participation and support.
- Paul Brennan who coordinates the school program and leases with the Parish to support the Sacramental events.
- The Year 6 teaching team for the part they have played in partnership with the families and Parish to prepare the children.
- Students, their families and sponsors for the way they have supported the preparation programs.
- The St Peter's staff who support these occasions in many different ways.

This is a special time for the children and their families and I wish everyone great joy and grace as they celebrate Confirmation.

PUPIL FREE DAYS - A reminder that Friday, 2 June and Tuesday, 6 June are Pupil Free Days.

LITERACY AND NUMERACY CLASSROOM HELPERS WORKSHOP - On Tuesday, we held our Parent Helpers workshops. I would like to thank the 70 parents and extended family members who participated in one of the sessions. I also appreciate the generosity of our parents who then use these skills to assist with the class Literacy and Numeracy programs. It is with great gratitude I acknowledge the work of Angela Seal and Rosey Martin who prepared and presented such a professional, informative and engaging workshop.

DUTY OF CARE - Parents, a reminder that students and younger siblings are not to play on the playground before or after school. All school equipment can only be utilised during the school day and under teacher supervision. In addition, it would be appreciated if parents would leave the school grounds promptly once children have been collected in the afternoon.

God Bless

PERSON OF THE WEEK

LUKE DAWES PPM

The 'Spirit of Jesus' is truly alive in Luke Dawes – a gentle soul who shows care and respect to all peers and teachers. Luke shows a genuine interest in everyone he interacts with and his kind nature is admired in our class. He is a friend to all. He is the champion for people; always sticking up for anyone who needs it and standing up for those who don't. You are a delightful and passionate individual who brings joy and warmth to our classroom. Every morning you enter the classroom with an infectious smile that doesn't falter throughout the day. Luke, you have such a positive attitude towards all of your classroom tasks - showing personal effort.

You are willing to accept challenges along the way and your persistence in your learning is something you should be proud of. We are very fortunate to have such a considerate and kind-natured student. Luke, you are a pleasure to teach and a great asset to the St Peter's school community due to the wonderful qualities you present.

Congratulations Luke, on being chosen as our Junior Person of the Week!

EMMA TAYLOR 6W

Emma, when I think of you, I think of someone who is thoughtful, proud, diligent, caring, respectful and above all reliable. Emma, you are a quiet achiever who doesn't have the loudest voice in our class, however your voice is always heard through the beautiful work that you consistently produce. You take both care and time to meticulously produce work which is always of a high standard and it is clear that you push your abilities above and beyond what is expected. I really enjoy your insightful ideas in reading groups, as you look past the literal meaning and challenge yourself to dig deeper to really bring the books and characters to life.

Emma, you are a friend to many and it has been a delight to watch you work alongside your peers as you demonstrate our TRUE values of Respect and Unity; engaging in thoughtful conversations, listening attentively and sharing the work load equally. It is obvious to me that you are viewed as a very valuable and trustworthy friend, as others often seek you out for advice or comfort. Emma, if you continue on this path in life, I see only success in your future. 6 White is extremely lucky to have such a lovely, young lady in the class and you are a truly deserving recipient of Senior Person of the Week.

LITERACY AND NUMERACY WORKSHOP

St Peter's School is very fortunate to enjoy a generous partnership with our parents and volunteers who offer time and energy; to support our students in the classroom. On Tuesday, we graduated 55 family members who gave their precious time to attend our annual Classroom Helper Workshop. The workshop provided an insight

into the teaching approaches, common instructional language and example activities classroom helpers will experience when volunteering during Literacy or Numeracy sessions. Both workshop sessions saw these 'eager students' willing to 'go back to school' to renew understanding of how students learn to read, spell and develop mathematical understanding. While a simple comprehension test and spelling quiz may have left some volunteers with post-traumatic stress, the Maths tasks certainly brought out the competitive edge of others.

We look forward to welcoming our most recently 'christened' volunteers into our classroom, along with our previously trained helpers. Your support offers our students a most valued resource. Thank you for making the arrangements required to attend these sessions.

The Protective Behaviours program presented by Justine O'Malley teaches and promotes concepts of emotional literacy, empowerment, assertiveness, problem solving and an understanding of safety. The Protective Behaviours program empowers kids to:

- Assert their right to feel safe
- Recognise 'signs' their bodies give them when they may be unsafe
- Learn 'body safety' rules and safety strategies
- Understand the difference between safe and unsafe secrets
- Seek help from trusted people

This workshop is designed for parents, carers and grandparents to build their understanding of the 'grooming process', child sexual abuse and the Protective Behaviours program.

Justine O'Malley BA(Ed), GradCertCPP, MSW is a qualified Teacher and Accredited Social Worker with over 20 years' experience working in the education and child protection sectors. Justine is one of Western Australia's pioneers in Protective Behaviours and served for 16 years on the board of Protective Behaviours Australia.
